Mariah Hill, DNP, CNM, APRN
Midwifery Education Program
Montana State University
Room 233 Corbin
Missoula, MT 59812

Dear Dr. Mariah Hill,

The Accreditation Commission for Midwifery Education (ACME) Board of Review (BOR) convened February 28, 2024. During the session, the BOR reviewed the Preaccreditation Report (PAR) and other materials submitted for the newly proposed midwifery program at Montana State University. As a result, the BOR voted to award a 5-year preaccreditation for the midwifery program, expiring February 28, 2029. In addition, the BOR has requested additional information. Please review *Appendix A* for the list of criteria and instructions; and submit the requested information to ACME (support@theacme.org) by June 1, 2024.

The team at Montana State University is applauded for all efforts made to advance excellence in midwifery education. Should you have any questions or need any assistance, please do not hesitate to contact ACME at support@theacme.org.

We are here to help.

Sincerely,

Angela Smith
ACME Executive Director
