

Montana State University Spatial Sciences ArcGIS Online Organization is available to “Authorized Users” at <https://sscmsu.maps.arcgis.com>.

- Per our license contract with ESRI “Authorized Users” are registered students, educators, and staff members of Montana State University. This designation is based on Banner job and enrollment data. A student is considered active if registered for the current term with no grace period. Educators and staff are considered active based on HR job data in Banner with no grace period.
- Account Creation - ArcGIS accounts are created the first time an authorized user signs into the service with their NetID via SSO. Please see the instructions below to sign in.
- When you are no longer an “Authorized User”, your access will be removed.
