

State Horse Shows

Dear Potential Sponsor,

The Montana 4-H State Horse Shows, both the Working Ranch Horse Finals and the State Performance Horse Show, are the highlight of the year for many youth in our 4-H horse program. Each September, young riders from across the state come together to celebrate their hard work, dedication, and love of horses at two thrilling events.

Youth participating in the Working Ranch Horse Project compete in classes that emphasize practical, real-world ranch skills, including roping and sorting. Those youth in the State Performance Horse Show compete in both Western and English disciplines, along with Small Equine and Showmanship. While competition is an exciting part of the experience, the State Horse Shows are about so much more—it's a place where youth build lasting friendships, explore careers in the equine industry, and grow as leaders. With each passing year, the show continues to expand, evolve, and reach even more youth across Montana.

We want to invite you to be a part of our program by becoming a show sponsor. Sponsorship is essential to grow the State Horse Shows and afford this opportunity for youth in Montana for years to come. Furthermore, show sponsors are helping grow future leaders, both in the equine industry and outside as well.

We greatly appreciate your generosity and would like to offer some recognition for you as well. Please see the attached list about what the Montana 4-H State Horse Shows can offer you in exchange for your support. There is also a donor commitment form that allows you to contribute to either show or both, depending on your interest. Please note sponsorship levels are determined per show and not based on total contribution. If you are interested in an in-kind donation instead, please let me know and we can discuss options.

Thank you for considering our request!
