INSTRUCTIONS

This form may be completed on your computer, using Adobe Acrobat Reader. If you don't have the latest version of Adobe Acrobat, you can download it for free at <http://get.adobe.com/reader> If you do not wish to complete this form on your computer, you may print the pages you need, and write on the form.

ONLY PAGES 2 THROUGH 7 OF THIS DOCUMENT ARE YOUR RECORD FORM The remaining pages are extra pages that you may need to record additional information. This instruction page is not part of your record book and can be removed.

Your photo can be inserted directly into the form. Due to the limitations of Adobe, the image needs to be in a .pdf format, and will be resized to fit the space provided. Alternatively, If you don't have software to convert your image to a .pdf file, you may print your photo separately, and attach it to the page after you print it.

If you need additional space for any of the sections of the form, check the box at the end of that section, and add additional information on the appropriate page at the end of the form. Be sure to transfer subtotals to the appropriate section at the beginning of your record book. If you still require additional space, make a copy of this file and complete the appropriate section, saving that particular page to print when you compile your record book.

At the end of the year, when it is time to print out your record form, use your printer properties to print only the additional pages you completed. For example, use the format 2-7, 10 to print pages 2 through 7(record form) and 10 (additional page).
