DISPLAY CATEGORIES AND DESCRIPTIONS

The Displays for Showcase may be one of two types: 1) Informational/Educational; 2) Creative - "Store Window"

GENERAL REQUIREMENTS

- The central focus of the display should be an item sewn or created by the 4-H member - "on display", not modeled in the revue. The item does not have to be a garment, but could be something made for the member's home, a craft item, etc.
- Complete this registration; indicate if you will need a mannequin. Bring all items needed to complete your display/store window.
- Attach a drawing of the article(s) to be displayed. Also attach a sample(s) of your fabric(s) and/or yarn below and indicate what article is made from each fabric/yarn.
- Give your display a title and have a poster or presentation board.
- Each participant will be interviewed by the judges.
- Embroidery, knitting and crochet items not being worn for the public review and contest can be a display.

INFORMATIONAL/EDUCATIONAL DISPLAY

The purpose of this type of display is to inform/educate the viewer. The following must be included:

- Plan - what do you plan to show in your display? i.e. "I plan to present the stages of development in ski clothing."
- Process - what steps did you take in preparing your display? This should include research you have done, a brief outline of the project and any pictures you may have.
- Product - this is the item you have sewn.

CREATIVE - "STORE WINDOW" DISPLAY

The purpose of this display is to present an item sewn by the 4-H member. This display should be set up to resemble a store window display - the item and any "props" that complement your item.
